

Summer Camps 2012

Camp Dates and Themes

June 4-8	Junior Chefs
June 11-15	Blast Off!
July 16-20	Princesses & Pirates
July 23-27	Dinosaur Digs

Preschoolers will explore and participate in thematically enriched activities each week. Activities may include art, music, stories, and games as well as indoor and outdoor play. One day of each camp week features outdoor water fun. Teachers will use the themes as a focus for projects and activities and make each day educationally enriching. Children will delight in making new friends and trying new activities.

Junior Chefs – Cooking Camp

It's time for some taste testing. Children will learn about and prepare foods from different countries.

Blast Off! – Science Camp

Let's take a journey through the stars and visit the planets. Children will explore science through hands-on exploration, experiments, demonstrations, and outdoor activities.

Princesses & Pirates – Dress Up Camp

Campers will have lots of fun dressing up and creating crafts. We'll do activities that range from having a tea party to going on treasure hunts.

Dinosaur Digs – Prehistoric Camp

We'll learn about and play with dinosaurs through arts and crafts, dino games, books, and more. We'll even dig for dinosaur fossils.
